Inherit the Wind

Inherit the Wind is not history. The events which took place in Dayton, Tennessee, during the scorching July of 1925 are clearly the genesis of this play. It has, however, an exodus entirely its own. So *Inherit the Wind* does not pretend to be journalism. It is theatre. It is not 1925. The stage directions set the time as "not too long ago." It might have been yesterday. It could be tomorrow.
